## C. QUICK & CLEAN® METERED AEROSOLS

Hillyard provides superior air care solutions with our full line of quality fragrances. Our 7 ounce metered aerosol formulas deliver effective long-lasting odor suppression through advanced technology dual odor counteractants using small "micro-fine" particles that linger significantly longer than traditional sprays. Our reliable metered aerosol dispenser warns of low battery life and low aerosol can content while operating up to two years on one pair of alkaline D-cell batteries.

## D. HARMONY AIR FRESHENER

New odor elimination technology works by reacting to common malodors. Harmony produces an odorless compound that quickly goes into the air chemically neutralizing the malodor so it is eliminated not just masked or covered up.

Dilution rate: 6 oz./gal.
