A. NUTRA-RINSE® *

Neutralizer and conditioner helps eliminate alkaline residues on floors. Ties up the insoluble alkaline salts left behind by alkaline strippers that can cause floor finishes to powder or wear poorly. Allows stripper residue to be quickly and easily removed. Eliminates multiple rinsing steps. Neutralizes the alkaline residue left behind from ice melt compounds (calcium chloride).

B. LIQUID ENZYME II

Live, bacterial suspension contains a minimum of 255 billion active bacteria per gallon that dissolve grease, fats, proteins, and carbohydrates. Treats sink drains, wash basins, shower stalls, and refuse containers. Digests grease and waste nature's way with no environmental harm. Deodorizes instantly and long-term by eliminating the source of the problem. Removes uric acid odor. Non-acidic, non-caustic, and contains no solvents. Also works on carpets. Available in quarts in the Quick & Clean® section.

HIL0047606	1 gal.	4

E. DEFOAMER II

Concentrated, stable white emulsion eliminates foam in recovery tanks of carpet cleaning equipment, automatic floor scrubbers, and wet pickup vacuums. It acts quickly to help prevent foam from being pulled into the electrical vacuum motor where moisture can cause rust and other damage. It is noncorrosive, phosphate free, and contains no caustics or acids.
