

Quick & Clean® Brass & More Wipes

Ready-to-work towels deliver a fast and effective way to clean, polish, and protect brass, copper, bronze, silver, gold, chrome, nickel, pewter, aluminum, stainless steel, platinum, fiberglass, and Plexiglas®. Low-ammonia polishing formula with no harsh abrasives.

Features & Benefits

- Fast and easy way to remove tarnish and oxidation.
- Non-scratching, abrasive cloth.
- Premoistened and premeasured.

Directions for Use

Lightly rub surface with textured side of towel until oxidation and contaminants are absorbed into cloth. Buff with clean dry cloth shortly after application. Do not let dry completely before buffing. Always test polish on hidden area before use. Do not use on lacquered surfaces.

Safety

See material safety data sheet and product label for safety information, handling and proper use.
