

MARBLE

UNPOLISHED MARBLE Preparation

Scrub floor with solution of CITRUS-SCRUB® or RENOVATOR® following label directions.

UNPOLISHED MARBLE Sealing/Finishing

When floor is clean and dry, apply two to three coats of SEAL 341 following label directions. *NOTE: If a buffable program is desired, apply ONEX-SEAL® II following label directions instead of SEAL 341.*

POLISHED MARBLE Preparation

Scrub floor with solution of SUPER SHINE-ALL® or CITRUS-SCRUB® following label directions.

POLISHED MARBLE Sealing/Finishing

When floor is clean and dry, apply two to four coats of LOK-GARD® following label directions.
