

# SureFoot™

by HILLYARD

## Assembly

- Install telescopic handle into the SureFoot base and tighten collar.
- Properly align the SureFoot pad on the SureFoot base.

## Use

The SureFoot is designed to rapidly absorb perspiration or other liquids during athletic competition on hardwood floors. To use the SureFoot, wipe the dry SureFoot pad over any perspiration or liquid until the area is dry and safe for athletic competition to resume.

## Care

- Wash the SureFoot pad as needed. The SureFoot pad is hand and machine washable.
- Do not use bleach or fabric softeners when washing the SureFoot pad.
- Air dry only.
- Slight shrinkage may occur.
