HILLYARD

PINK LOTION HAND SOAP

The Mild, All Purpose Liquid Hand Soap
Formulated With Lanolin For Softer, Cleaner Hands

Concentrated Cleaning Power
Hillyard Pink Lotion Hand Soap cleans hands while it soothes. Its pearlized mild, lanolin formula has a thick, lotion feel that helps eliminate dry skin troubles caused by ordinary high pH hand soaps. Pink Lotion Hand Soap leaves hands clean, smooth, and soft. Plus, its delicate almond scent makes it a pleasure to use.

No Mixing...No Mess
Pink Lotion Hand Soap is ready-to-use. There is no need for messy, time-consuming diluting and mixing. Simply pour it into your soap dispenser and you are ready to go. Nothing could be more simple.

Biodegradable And Phosphate Free
Pink Lotion Hand Soap is phosphate free. It is an ideal product for all general washroom settings and comes conveniently packaged in one gallon containers. Ask your Hillyard representative about Pink Lotion Hand Soap. Just another example of high quality from Hillyard.

Pink Lotion Hand Soap can be used in most bulk liquid hand soap dispensers.

Wet skin and apply a small amount of soap. Rub hands together to create lather. Rinse and dry with cloth, paper towels, or air hand dryer.

Neutral pH - will not irritate skin as alkaline soap products can.

**DISPOSAL:** Buyer assumes all risk and liability associated with disposal of this product (original concentration or dilution) in violation of applicable law.

**CONTAINER DISPOSAL:** Triple rinse (or equivalent). Then offer clean, dry container for recycling or reconditioning.

**PROTECT FROM FREEZING**
